Another Linsly Boy Heard From.

Another Linsly Institute boy has been heard from, and, as usual he has given a good account of himself. This refers to Mr. Lawrence A. Heymann, son of Mr. Anton Heymann, who graduated this week from Johns Hopkins University, Baltimore, with high honors and taking a scholarship, difficult accomplishment. Indeed, Mr. Heymann entered Johns Hopkins directly after his graduation from Linsly Institute without any other preparation for the university than that which he received at that institution.

"GROCERS' DAY"

At Wheeling Park Yesterday the Occasion of a Very LARGE TURN-OUT OF PEOPLE

From all Parts of the City--The Bicycle Races in the Afternoon Were a Very Interesting Feature--Percy Harris Won the Handicap Race With Balzer Second--The Attendance was About Four Thousand.

Everybody buys groceries--unless he is a bachelor or boards--and as everybody likes to "keep on the good side" of his grocer, pretty near everybody in town was attracted to the annual outing of the Wheeling Retail Grocers' Association, which was held at Wheeling Park yesterday afternoon and evening. The grocery stores, both retail and in some cases wholesale, closed at noon, in order that their proprietors and the employees might participate in the festivities. The afternoon crowd was estimated at 2,000 and last night every Park-bound motor was filled to overflowing. Altogether, between 4,000 and 5,000 passed in at the park gates, making the grocers' the second most successful picnic of the season at Wheeling Park.

In the afternoon, the principal attraction was the bicycle races on the new eighth-mile track near the Casino, run under the direction of Jason C. Stamp. There were three events, and each was hotly contested.

Half mile boys' race--Pickett and Wagner were the only entrants who faced the starter. Wagner put up the pace for three laps, and then Pickett shot out to the front and won in a close finish. Time, 1:28 4-5.

One mile, grocer clerks--Altmeyer, Edge, Humes, and Kline faced the starter. They remained bunched one lap, when Kline caught the others napping with a pretty sprint and secured a lead of ten or fifteen yards, which he maintained to the finish, winning with ease. Time, 2:53.

Two miles, handicap, open--Eight men appeared for this event, and five finished. The limit man, Herman Pearlman, was caught on the third lap and after that he wasn't in the race to an alarming extent. Percy Harris (25 yards), won; Balzer, (50 yards), second; Medar, (50 yards), third; Lubie, (50 yards), fourth; Pearlman, (150 yards), fifth. Balzer thought another lap was to be ridden and for this reason he didn't respond to Harris' sprint that won the race. He entered a protest, claiming it had been announced a pistol shot would be fired on the next to the last lap. Time, 6:20.

Joe Balzer went an exhibition half mile in one minute flat. The races drew a crowd that entirely surrounded the track, and they were decidedly a pleasing feature of the outing.

Other amusements were dancing on the Casino floor, prize bowling and a prize cake walk.

Funeral of Mrs. Thompson.

The remains of Mrs. Mary E. Thompson, the widow of the late Colonel W. P. Thompson, who died a few days ago in Paris, France, will arrive in New York June 21 on the steamer Majestic, accompanied by her son, Lewis S. Thompson, and her daughter, Mrs. Preston. They will be joined by the other members of the family on their arrival in New York, and will leave that evening for Wheeling, reaching here Thursday morning, the 22d, at 10:30. The funeral services will be held at St. Matthew's church at 11 o'clock Thursday morning, and the burial will be at the old Thompson burying ground on the National road, where she will be laid to rest at the side of her husband. Colonel and Mrs. Thompson had lived so long in West Virginia, where they were well known, that their friends will be interested in knowing the arrangements for the funeral of Mrs. Thompson.

A Peculiar Accident.

Early yesterday morning, about 1:30 o'clock, two of the young women operators at the central office of the Central District company, Misses May Rose and Loretta Shuttler, figured in a peculiar accident. In some manner, from the floor through their feet, they received a very severe electrical shock. Both were so terrified that they ran out of the building. Lieutenant Supler was called, and the young ladies were taken to police headquarters, where Dr. Plante, who had been called up, rendered all possible relief. For several hours, however, they were periodically subject to recurrent shocks. Mr. Gartley, of the telephone company, was summoned, and Misses Rose and Shuttler were taken to the City hospital. Miss Shuttler had recovered last night and was on duty, but Miss Rose was not so fortunate, and was still prostrated.
